

Shipping & Fulfillment Policy

Last updated: June 13, 2021

We do not offer shipping to any areas nor do we offer any pick up options; all orders are hand delivered by the employee of Candi's Cupcakes. Local delivery within the delivery area of a 8 mile radius and could reflect a higher delivery fee due to distance farther than 10 miles.

When an item is ready to be delivered there will not be a wait longer than 1 hr and if there is a longer time the customer will be contacted. As delivery time could change due to traffic. Minimum order for delivery in the standard delivery range is \$21.00 and delivery starts at \$2.99 within the 8 mile radius and will increase to 3.50 for 10 miles.

Delivery will be available for every order. Please make sure that we have the correct name and address and time for delivery and a contact number should we need to speak should any issues arise. Please make sure someone is there to receive the delivery item. If there is still an incorrect delivery address listed on your order please give us a call or send a message and or email so your baked goods don't end up in the wrong hands.
